ENVIRONMENTAL UPDATE

Just a reminder that the aluminum can contest will end March 1. We are trying to win \$100-\$300 from this contest. Our newspaper recycling continues all year. Both of these recycling bins can be found in our big parking lot. Please remember that our school is a NO IDLING school. Please turn your car engine off when you are waiting in line for parent drop off/pick-up. Thanks for all of your efforts in making our school and world a GREENER place.

Photo Request: If you have a **group** photo of the Chess Club Awards ceremony with the students and their trophies please send it my way. I also have a set of photos from a parent, thank you, for the 5th grade musical, but would like to include more if possible. My last deadline is looming, so please let me know if you have theses, so they can be included.
