Personal Safety Lessons

During the months of January and February, the two school counselors will be presenting personal safety lessons, including information about child sexual abuse, to every grade level. Mrs. Zamora will be presenting lessons to kindergarten, third and fifth grades, while Mrs. Tweed will be presenting lessons to first, second and fourth grades. You will be given the opportunity to preview these materials in a small room off the media center, if you are interested. We are primarily looking at the dates between Jan. 6 and Jan. 13 for parent preview, but we will have other times, if needed. Upon conclusion of this preview week, we will begin these lessons. If you would like to see the material we will be using, please call your counselor and arrange a day and time that will work for you. We will give the media center staff a schedule of the times so they will know when to expect you. A letter with more details will be coming home during the month of December and, of course, we are always available to answer questions if you would like to call.

Thanks to all who participated in the Everyday Math Stars games this past 9 weeks. Almost all classes have turned in their 2nd quarter results. Certificates and candy will be distributed the first week we are back from winter break. Please remember that in order to attend end of year ice cream party you must have played 48 sessions. If you have been playing at least 12 sessions per quarter then you are at least half way to meeting this goal. If not, you will need to play more than the 12 sessions for 3rd and 4th quarter in order to catch up. A total of 48 sessions must be attained by May 7th in order to go to the ice cream party. Thanks to all the parent volunteers who help track the sessions each week. Your support and encouragement is very much appreciated!
